

Constitution of the Youth Advisory Board at *JUGEND für Europa* – National Agency for the EU Programmes Erasmus+ Youth, Erasmus+ Sport, and European Solidarity Corps in Germany

Preamble

As part of its work to implement the EU programmes Erasmus+ Youth and European Solidarity Corps (ESC), JUGEND für Europa is seeking to expand and enhance young people's involvement in the implementation and evolution of the programmes. A key milestone in these efforts was the establishment of a Youth Advisory Board in 2023, followed by the close cooperation with the Board that has been in place ever since.

The Youth Advisory Board's work is based on the principles of democracy, tolerance, diversity and equal opportunities, mental wellbeing, sustainability and equitable social participation.

This constitution sets out the selection process for JUGEND für Europa's Youth Advisory Board, how it will be composed and what its tasks and powers will be. It was drawn up in 2022 in collaboration with young people in a process lasting several months and was revised by the Youth Advisory Board at the end of its first cycle in 2024.

§1 Tasks and objectives of the Youth Advisory Board

- (1) The purpose of the Youth Advisory Board is to ensure that young people's opinions, suggestions, and ideas are considered when implementing and evolving the EU programmes Erasmus+ Youth and ESC. Participation by young people as the addressees and users of the EU youth programmes has an important consultative function.
- (2) The tasks and objectives of the Youth Advisory Board are as follows:
 - a. Advise *JUGEND für Europa* so as to simplify access to the EU youth programmes for the target group of young people, raise their awareness of the programmes, make them more appealing to young people, and improve the processes involved in making use of the programmes and the support *JUGEND für Europa* provides in this regard.
 - b. Advise the Federal Ministry for Family Affairs, Senior Citizens, Women and Youth (*BMFSFJ*) and *JUGEND für Europa* to bring the priority areas and evolution of the EU youth programmes more into line with young people's interests and needs. As part

of this process, the Youth Advisory Board shall also issue statements concerning political debates and key questions in connection with the EU youth programmes.

- c. Represent young people on and participate in the *BMFSFJ*'s National Advisory Council for the EU Programmes Erasmus+ Youth and European Solidarity Corps (National Advisory Council) to include the perspective of young people and the Youth Advisory Board's own topics in all issues discussed by the National Advisory Council.

§2 Composition of the Youth Advisory Board

- (1) The Youth Advisory Board shall be composed of 15 to 20 young people aged between 16 and 30, though members who pass the age of 30 may continue to serve on the board until the end of its term. Members who reach the age of 30 during their first term of office may not run for a second term. As far as possible, the young people should have personal experience of the EU youth programmes.
- (2) Three of the seats on the Youth Advisory Board are intended for young people who are active in the European context of the Working Group of Youth Associations and State Youth Councils in Germany, and another three seats are reserved for EuroPeers.
- (3) All applicants shall take part in the official application procedure.
